

Background Check Information for SE4SK

As of Aug 2019 All VOLUNTEERS ages 18 and older (Excluding High School Students) MUST have a current background check on file at SE4SK. These Background checks MUST be redone every 5 years. We use www.DirectScreening.com but you may use your own provider. Please select the National Option, then send me the confirmation form.

We would like to thank you in advance for your quick response.
